

Year 1 Remote Education Plan Autumn

Introduction

Since returning to school in September we have been amazed by the resilience from all of our pupils and the support we have received from yourselves. Sadly, due to the COVID-19 pandemic every school has worked tirelessly to ensure that should any pupils have to be educated at home that they are supported and given the resources they need to continue to master the curriculum. With this in mind should your child be educated at home there is an expectation that the following resources and materials are used during this time. School staff will be in touch during this time to ensure this is happening and also to offer any support you feel you may require.

Mr Walton (Headteacher).

Keeping in touch:

Class Dojo can be accessed to correspond directly with class teachers between 8am and 4.30pm.

Our school email is also available and by using this we will ensure the correct person can respond to any queries you may have.

langleypark@durhamlearning.net

Facebook is a great way to celebrate successes but messenger and comments sections will not be used to address queries so please email these or use Class Dojo.

Hi Year 1,

What a fantastic start to the term we've had! I'm really impressed with all the hard work you've put in so far and I'm sure it will continue throughout the year. You all have daily RWI lessons to follow (just like we do in class) and I've set some challenges on Spelling Shed too. You can also practise all of the weekly spellings you have received so far. I'm really looking forward to seeing how you get on. If you need extra help, you can send a dojo message and I'll do my best to help. Also, your adult can share photos of your work on your dojo wall so I can see how you're getting on.

Take care, Miss Bawden

English

Talk for Writing is an engaging teaching framework developed by Pie Corbett, supported by Julia Strong. It is powerful because it is based on the principles of how children learn. It enables children to imitate the language they need for a particular topic orally, before reading and analysing it, and then writing their own version. The following unit has been designed to aid home learning and school has printed the resources you need. **Year 1 will be exploring Mavis the Magical Cat.**

Reading—Reading books can be accessed at <https://home.oxfordowl.co.uk/reading/free-ebooks/> Please choose an appropriate book matched to your reading ability. We can help you find books at the correct level, which you will enjoy

Spelling— Spelling Shed

Phonics—You will receive a separate phonics email which will provide you with links to daily lessons, matched to your reading stage.

Mathematics

School has purchased work books which complement the autumn term curriculum and follow the White Rose mathematics scheme of work using the mathematics ,mastery approach. One covers calculation and one covers place value.

Other areas of the curriculum

The Oak National Academy has been set up to enable all pupils not in school to access a high quality online curriculum.

The following links will enable your child to access the correct topics for:

Geography <https://classroom.thenational.academy/units/london-in-the-united-kingdom-shared-with-history-ey-transition-unit-b8a0>

History <https://classroom.thenational.academy/units/the-great-fire-of-london-7a50>

Science <https://classroom.thenational.academy/units/habitats-c850>

Apps our school uses which your child has home access to:

Well-being—

Kindness challenge—<http://app.jointhekindnesschallenge.com/forms/signup/parents>

Me, You and Us <https://classroom.thenational.academy/units/me-you-and-us-72ca>
