3 Support for applicants

As a disability confident employer, we welcome applications from disabled people and as an inclusive employer we recognise the importance and benefits of having an inclusive and diverse workforce.

The council offer a 'guaranteed interview scheme' which allows people who declare that they have a disability to be shortlisted where they demonstrate they can meet the essential criteria of the role.

In addition, to ensure we can offer the best possible support for applicants, we will pro-actively make reasonable adjustments within the recruitment process for disabled people. The range of reasonable adjustments that can be accommodated throughout the selection process include (but is not exhaustive):

- Alternative formats for job applications
- More detailed/pictorial instructions for interview
- Support from an appropriate person at the interview
- Additional time to complete applications (and or tests), where appropriate.
- Adjustments to interview venue/accommodation, testing and interview questions

Please contact the Lead Officer if you would like to discuss any reasonable adjustments and ensure you include this information on your application form so the appropriate support can be provided.
