

## Langley Park Primary School Sports Premium 2019-20

Our Sports Premium allowance for the academic year 2019-20 is **£17,530**. The premium will be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. We endeavour to see an improvement against the following 5 key indicators:

KEY INDICATORS				
<b>Indicator 1: the engagement of all pupils in regular physical activity</b> - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	<b>Indicator 2: the profile of PE and sport is raised</b> across the school as a tool for whole-school improvement	<b>Indicator 3: increased confidence, knowledge and skills of all staff</b> in teaching PE and sport	<b>Indicator 4: broader experience of a range of sports and activities</b> offered to all pupils	<b>Indicator 5: increased participation in competitive sport</b>

We have recently evaluated the impact on this which has gained us the bronze award for the School Games Mark 2019. 2020's award was not achieved due to COVID restrictions.</p> <p>The Early Years staff have been well supported during their curriculum support sessions this year. They have been able to gain access to suitable resources following on from their sessions with a member of the SSP team, which has enabled the children to develop their physical skills across the year.</p> <p>We have also received curriculum support for a number of different aspects of PE. All of the staff who have received curriculum support from a coach or a specialist PE teacher now have increased confidence of teaching that specific area of PE. Our staff are aware that a range of planning documents / resources are available and can be</p>
