Headteacher's Message

Dear parents and carers,

It is getting to that very busy time of year in school with lots happening! The children are continuing to work hard in class in what is always a very important last half-term in making those final steps of progress before we break for the summer in a few weeks.

Best wishes,

Mr Mordue

Well done to Year 5 - our attendance champions this week with 98.6% attendance. It is vital that we are in school, on time, every day to access our learning and develop socially and emotionally.

Langley Lionesses

In my whole-school assembly on Monday, we discussed our second CARE value - Ambition. Using successful people as an example, such as Michael Jordan and JK Rowling, we talked about how having ambition can allow us to achieve great things! We linked this to showing more ambition in school - in our attendance, our standard of work and in aiming high in everything we do!

Well done to Year 4,
who enjoyed their
cricket festival at
Annfield Plain Cricket
Club this week.
Excellent cricket skills
and great attitudes!

Athletics in PE

We have more sporting events to look forward to next week, with Year 2 Athletics on Tuesday and Year 6 Golf on Wednesday. Both classes will need PE kit, a water bottle and a sun hat/cap and sun lotion if it is sunny.

It was lovely to welcome our new Reception 2025 children and parents and carers into our Early Years this week for their Information Session. Thank you for attending!

Diary Dates

Mrs Burnip, who has worked here at Langley Park for a number of years, has made the decision to move on to a new chapter in her career, which I know has been a difficult decision for her. Mrs Burnip was keen to share her thanks and best wishes to our whole school community, and I am sure you will join me in thanking her for her hard work and dedication over the years. Best of luck in the future, Mrs Burnip, and thank you again for your commitment to our school.
