Headteacher's Message

Dear parents and carers,

It has been a busy week in school with lots of great work happening in each classroom. A real highlight of our week is our Friday Celebration Assembly, where we give out certificates for Star Learner and Star Behaviour in each class as well as trophies for attendance and Times Table Rock Stars!

Best wishes,

Mr Mordue

Due to illness, our class photographer could not make it into school this week. This has been rearranged for next Wednesday 8 October.

Well done to our Best Attendance Trophy winners this week...Year 6 with 98%.

Year 6 also won our Most Improved Attendance Trophy with an 8% improvement from last week - fantastic!

Cross-country team

A huge well done to our cross-country team, who completed their final event yesterday at Greenland Primary School. Amazing attitudes, determination and teamwork. We are very proud of them all!

Exploring in the rain in EYFS

Next week, we will be recognising World Mental Health Day on Friday 10 October. We will launch this in assembly on Monday, where we will discuss the importance of keeping our minds healthy. On Friday, we will have a non-uniform day in exchange for £1, wearing green (the recognised colour for Mental Health) or yellow (in support of the Young Minds charity). All donations will go to Young Minds.

Mental health matters

We are recognising Black History Month this October in school, where the children will learn about key figures from black history. Each class will study a selected figure and produce some work for a whole-school display. We launched this in assembly on Wednesday, where Mr Topping shared some key messages about why it is so important we recognise this.

Black History Month

Diary Dates

- Wednesday 8 October - Class photographs
- Thursday 9 October - Frosty Fest auditions for KS2
- Thursday 9 October - Y4 cross-country festival
- Friday 10 October - World Mental Health Day
- Thursday 23 October - Flu vaccinations
- Friday 24 October - Break up for October half-term
